

BIOTHERAPY

DEEP CLEANSING SHAMPOO (oily hair and dandruff)

ACTION

Gentle-on-the-skin shampoo that cleanses and oxygenates the skin, preventing dandruff and hindering hair loss. It develops a targeted sebo regulating action.

HOW TO USE

Apply to wet or dry hair, massage gently, leave to effect for a few minutes then rinse thoroughly. Proceed to a second application if needed. For intensive use it is good (advisable) to associate to Deep Cleansing Scrub before or after application as a home maintenance therapy.

PACKAGING

CU028 - Bottle 200 ml

CU039 - Bottle 1000 ml

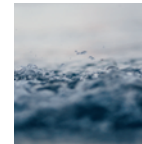

ACTIVE INGREDIENTS

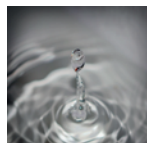

LEMON ESSENTIAL OIL
Promotes cellular regeneration and controls excessive sebum production. Strengthens hair by combating dandruff.

MINT ESSENTIAL OIL
Purifying and antibacterial action. It refreshes and stimulates the flow of blood to the hair root. It soothes the itch.

PYROCTONE OLAMINE
Sebum regulating and antiseptic action. It helps restoring the natural microbial balance of the skin.

PANTHENOL
Enhances shine, improves manageability, and strengthens the hair structure.

ROSEMARY EXTRACT
Antiseptic, antimicrobial, antioxidant, purifying, sebum-regulating, and microcirculation-stimulating action.

NETTLE EXTRACT
Regulates and normalizes sebum production from the sebaceous glands. Purifying, toning, and soothing action.
