

EXTREME GEL Cementing Gel with Extra Strong Hold

ACTION:

New Formula and New Fragrance. Cementing Gel with extra strong hold for precise hair definition without weighing it down. It delivers extraordinary shine and ensures long-lasting hold with perfect frizz control. Anti-humidity properties. The formula, in addition to being free from alcohol and parabens, provides high protection against UV rays, preventing sun damage. The active ingredients work in synergy to improve the health of the hair fiber, leaving hair hydrated, strong, and shiny. Panthenol strengthens and deeply moisturizes, while Chamomile provides soothing and antioxidant action. Suitable for all hair types, including those with a sensitive scalp. Does not leave any powdery residue.

BENEFIT:

- Long-lasting Extra Strong Hold
- Does not weigh hair down
- Soft hair with enhanced shine
- UV Protection
- Hydrating and anti-frizz action
- Holds without stickiness, defines without heaviness
- Suitable for all hair types
- Leaves no residue
