PERMANENT WITH ORGANIC PROPERTIES WITH KERATIN AMINOACIDS

PERMANENT with organic properties with keratin aminoacids

Odourless organic perm, based on amino acids from Marine Collagen, amino acids from Keratin and Soy proteins.

It has a powerful conditioning effect that gives an extremely natural styling, with soft waves, defining a nervous and long-lasting curl. Its exclusive formula leaves the hair in excellent condition, soft, natural and above all without damage.

- without ammonia,
- without Thyoglicolic Acid
- contains Hydrolysed Soya Protein
- contains Cysteine (low molecular weight keratin amino acid)
- works at an alkaline pH level
- unique force (for all hair types)

HOW TO USE: Apply the perm solution on curler wrapped hair.

Leave on for a minimum of 5 to a maximum of 30 minutes, according to hair porosity.

Always check the elasticity of the hair during the processing time.

Rinse thoroughly with warm water and proceed to saturation.

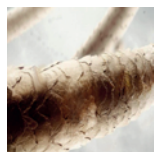

INGREDIENTS: Aqua (Water), Cysteamine Hcl, Laureth-10, Triethyl Citrate, Sodium Hydroxide, Laureth-23, Sucrose, Collagen Amino Acids, Hydrolyzed Soy Protein, Keratin Amino Acids, Leuconostoc/Radish Root Ferment Filtrate, Magnesium Chloride, Magnesium Nitrate, Methylchloroisothiazolinone, Methylisothiazolinone, Parfum (Fragrance), Polyquaternium-6, Styrene/Vp Copolymer, Tetrasodium Edta, Benzyl Salicylate, Hexamethylindanopyran, Hexyl Cinnamal, Limonene, Linalool.

PACKAGING

FR001 Bottle
Capacity 200 ml

ACTIVE INGREDIENTS

KERATIN AMINOACIDS
It's the protein constituent of the fundamental structure of the hair.

SOY PROTEIN
They contains moisturizing and protective properties for the capillary structure.
