PACKAGING

CU024 Bottle 50 ml

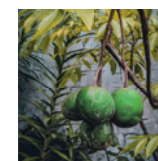

ACTIVE INGREDIENTS

BAOBAB OIL
Baobab oil serves as a revitalizing and restructuring ingredient for the hair and scalp. It is ideal for the treatment of dry and damaged hair, thanks to the antioxidant and emollients found within it.

SERENOA REPENS
Commonly known as saw palmetto, its fruits are highly enriched with fatty acids and phytosterols. Clinical trials demonstrate its effectiveness in the treatment of baldness.

PYGEUM AFRICANUM
Pygeum is an herbal remedy prepared from the bark of Prunus africana. It aids in the stimulation of the scalp resulting in the reduction of thinning hair.
